

# Why Do You Need to Teach Your Child About God's Angels?

By: Lee Ann Mancini

**Most children are afraid of the dark, until they understand and feel they are safe and protected. Why do you need to teach your child about God's angels? Because they are commanded to keep you and your children safe. "For he will command his angels concerning you to guard you in all your ways" (Psalm 91:11 NIV). There are many angels protecting and watching over your children, "See that you do not despise one of these little ones. For I tell you that their angels in heaven always see the face of my Father in heaven" (Matthew 18:10 NIV).**
